

State of Nevada Department of Education

Notification of Completion and Compliance School Emergency Operation's Plan (EOP)-

I certify that: International Christian Academy

(Name of school or school district)

Has met all the requirements in the *FEMA Guide for Developing High Quality School Emergency Operations Plans* and any additional requirements listed in Nevada Revised Statute (NRS 392.600 – NRS 392.656).

I certify that the EOP has been reviewed and updated for the 2024-2025 school year by the development committee/planning team and that annual trainings and exercises have been provided to employees.

I also certify that a Notice of Completion has been posted at each school.
